

Delock Hook-and-loop cable tie L 180 x W 20 mm black 10 pieces

Description

These hook-and-loop cable ties by Delock are ideal for space saving bundling of e.g. individual cables, wires, hoses or conduits.

Reusable due to hook-and-loop fastener

The cable tie can be securely fixed to a cable bundle and ensures that exposed cables are kept clear and tidy. Thus, several cable bundles can be fixed at the same time. The hook-and-loop fastener allows the cable tie to be quickly attached and easily removed again.

Perfectly organized and versatile

The hook-and-loop cable ties are compatible with all types of cables e.g. network cables, USB cables, HDMI cables, charging cables, power cables etc. Whether in the office, at home or at work, the cables always remain neatly sorted and leave a tidy overall impression. The hook-and-loop cable ties are the perfect solution for keeping things tidy and preventing cable tangles.

Item no. 19110

EAN: 4043619191109

Country of origin: China

Package: Zip poly bag

Specification

- Length: ca. 180 mm
- Width: ca. 20 mm
- Hook-and-loop fastener for multiple reuse
- Environmental temperature: -30 °C ~ 100 °C
- Material: nylon
