

19" 2U Cable Management Routing Panel with opening and edge protection grey

Description

This routing panel by Delock is ideal for proper cable routing in 19" racks or cabinets. It enables efficient and structured cable organisation, protects the cables from damage and ensures clean installation.

With edge protection

Integrated edge protection profiles prevent abrasion and damage to cables and wires that could be caused by sharp edges of the housing.

Removable cover for optimal cable management

The removable front panel hides open cables and protects them from damage.

Horizontal opening

On the rear side, the panel is equipped with an opening to allow easy cable access.

Item no. 67280
