Siku 1990 scale model Tractor model Preassembled 1:50:

Powerful MAN engine with 420 HP, infinitely variable Vario transmission, full power combined with maximum flexibility – the Fendt 942 Vario is the new top model in the 900 series. The modern large tractor is a winner because of its efficiency, comfort, and versatility, and for these reasons it has already won many jury awards. As a siku model in its special black livery, with movable front loader and shovel, as well as front and rear couplings, it is ideally equipped for every job, and gets through a huge amount of work on the farm. The four large wheels with agricultural profile mean that the 942 Vario is always well equipped even outside the farm, and so it can be used in every play situation!
